

Multimedia Catalogue

1994 - 1995

S I E R R A[®]

Dear Customer,

Welcome to the Sierra Multimedia catalogue! With nearly 40 titles, this catalogue celebrates Sierra's 15th anniversary, offering the largest and widest range of multimedia game software available in the market today. You will find all the games from Sierra available today including all new releases expected for Christmas '94 and beginning of '95. Each game is presented under its own category (adventure, simulation, strategy etc.) with a detailed description in order to let you discover your favourite kind of games in the simplest way possible.

S I E R R A ®

The terrifying story of a woman fighting for her life against the forces of evil comes to life in the most advanced multimedia suspense thriller ever: Phantasmagoria. Unfolding in novel-like chapters, this

game establishes an unprecedented blend of Hollywood film production, digital effects, computer-rendered worlds, and interactivity. In Phantasmagoria, master designer Roberta Williams creates a frighteningly believable nightmare from which you may never awaken.

PHANTASMAGORIA

«Phantasmagoria carries you into a terrifying world»

Multimedia PC

UNIQUE FEATURES:

- Developed using sophisticated Hollywood film techniques and digital effects
- Features an ultra-realistic 3-D rendered world in which characters have free movement
- Unfolds in novel-like chapters
- Written by master game designer Roberta Williams

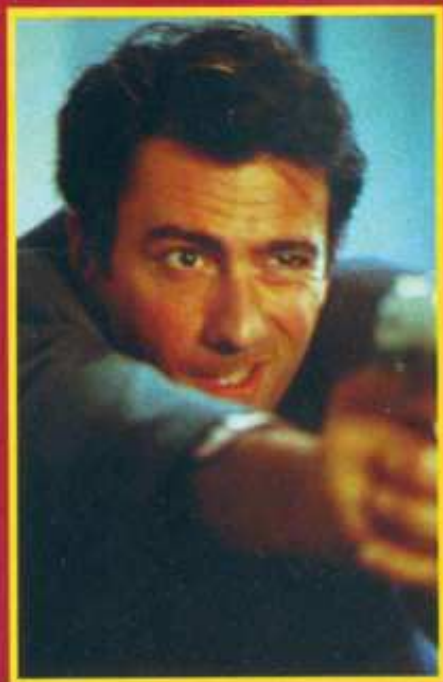

Phantasmagoria can be played under DOS or Windows

Adventure

*H*ave you ever seen a computer game that is in fact a MOVIE? *Lost in Town* exploits not graphic designers talents, but FILM. Entirely filmed and directed by a professional team of cinematographers, this interactive adventure thriller tells the tale of a reporter carrying out an investigation only to discover a strange and complex plot that quickly turns into a wild race to fight for survival. Beware, as danger lurks around every corner...

UNIQUE FEATURES:

- Unprecedented multimedia technology: game developed exclusively from video footage
- Directed, filmed and designed by professional cinematographers
- A gripping plot and unique setting where you play as two characters, one by one
- Starring professional actors

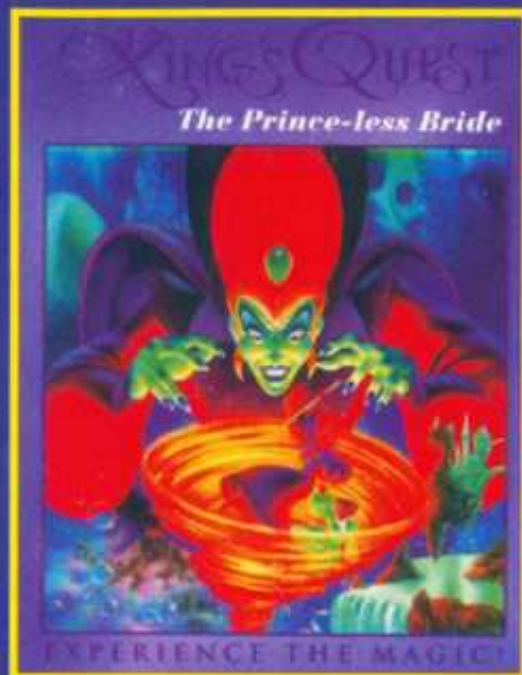

Lost in Town

«Filled with suspense» Generation 4

LOST IN TOWN is a COXTEL VISION production

The bestselling adventure series of all time returns with the most spectacular episode yet. Told through breathtaking, cinema-quality animation and accompanied by a dynamically beautiful score, King's Quest VII establishes a new standard for animated adventure games. In this game, author Roberta Williams spins an enchanting tale of a mother and daughter caught in a world of fairies, trolls, and magical lands.

UNIQUE FEATURES:

- Developed using brilliant cinema-quality animation
- Accompanied by a memorable, fully orchestrated musical score
- Features an enchanting world in which you play as two different characters
- Unfolds in moving, novel-like chapters
- Includes breathtaking, high-resolution animation and backgrounds

King's Quest VII runs under DOS or Windows

KING'S QUEST® VII

«... worthy of a Disney cartoon» *Joystick*

Adventure

Space Janitor Wilco is back, in the most smart-alecky, most satiric Space Quest ever! Fans and critics alike have raved about every installment in this award-winning series, and Space Quest 6 is even more outrageous than all the others put together. This state-of-the-art SVGA game mercilessly skewers all your favourite science fiction movies and computer and video games. Best of all, Space Quest 6 is fat free and has very few harmful side effects. So grab a mop and hang on tight, because this is the most fun you can have in Outer Space (yet).

UNIQUE FEATURES:

- State-of-the-art graphics, using SVGA resolution and multiscreen scrolling graphics
- Unique outrageous «Space Quest» humour
- Includes an optional arcade sequence, «Stooge Figher 3».
- Fully interactive, not a pre-directed «movie»

SPACE QUEST 6

«The Space Quest series have been one of our favourite for years» *Computer Game Review*

SPACE QUEST 6 is a  SIERRA® production

Adventure

From the makers of the Goblins series, now comes a fanciful story of a future world, long after terrible atomic wars. The last of the human race surfaces after centuries underground to find that the earth has been taken over by a race of quiet and peace-loving creatures called Boozooks! In this unique background you will find young hero Woodruff in a crazy search to avenge the killer of his teddy bear... find the kidnapped Dr. Azimuth, renowned throughout town for the «Schnibble», a mysterious word with hidden meaning that desperately needs unravelling!

UNIQUE FEATURES:

- Interactive cartoon in the Tex Avery style
- Exceptionally fluid animations and unique multi-screen horizontal and vertical scrolling
- Complex, multi-faceted storyline in a humorous imaginary world
- 2 versions: High-res SVGA and VGA

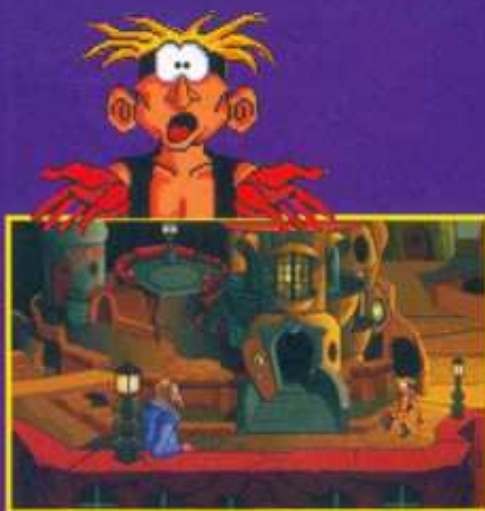

Woodruff and the Schnibble of Azimuth runs under DOS

WOODRUFF and the SCHNIBBLE of AZIMUTH

«Abounds in Tex Avery style humour»

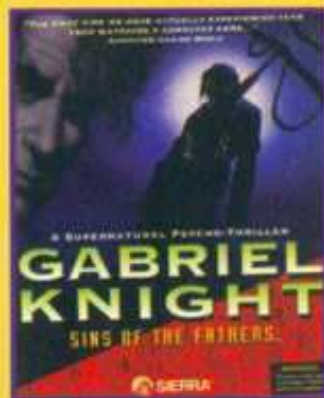

Generation 4

WOODRUFF AND THE SCHNIBBLE OF AZIMUTH is a **COMTEL VISION** production

Adventure

With the new Gabriel Knight series, Sierra marks its entrance into the arena of Neo-gothic adventure. Gabriel Knight is the last in a long line of shadow hunters, those fated to fight the dark forces of the supernatural. Haunted by a centuries-old curse, he is tormented by terrifying nightmares. Now he must spend every waking moment scouring the side streets and back alleys of New Orleans for the key to his dark past. And when he sleeps... the nightmare begins.

GABRIEL KNIGHT™ SINS OF THE FATHERS

*«Suspense in the
Hitchcock style»*
COMPUTE

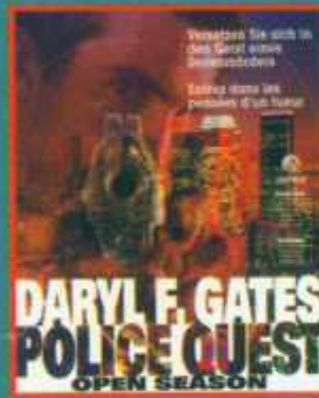

UNIQUE FEATURES:

- Neo-gothic thriller with beautiful graphic novel art
 - Impressive 3-D, high-resolution graphics
 - Includes a bound and illustrated graphic novel
 - Includes a 20-minute video through Windows about the making of Gabriel Knight
 - Professional cast of famous Hollywood actors' voices: among them Tim Curry (Gabriel), Mark Hamill (Mosely)
 - Digitized stereo soundtrack and sound effects
- GABRIEL KNIGHT™ can be played under DOS or Windows.

GABRIEL KNIGHT™ is a  SIERRA production

Someone's on a killing spree, and it's up to you to solve a string of seemingly random murders. You must find the killer before he strikes again. Play it by the book and you might just stay alive. Make a mistake and you could be the next victim... Offering a story ripped from today's headlines, OPEN SEASON pulls no punches in its portrayal of modern police work.

POLICE QUEST™ IV: OPEN SEASON

*«A rich story that will
keep even the most avid
adventurer on his toes»*
PC ACTION

UNIQUE FEATURES:

- The most realistic POLICE QUEST yet, incorporating digitized high-resolution photography and video-captured actors for ultra-realistic game play
 - Designed by former Los Angeles police chief Daryl Gates for a more gripping and true-to-life portrayal of modern police work
 - Professional cast of actors for voices
 - 16-bit sound effect music
 - A Making of Police Quest 4 video through windows
- POLICE QUEST® IV can be played under DOS or Windows

The POLICE QUEST® Series is a  SIERRA production

The first of an amazingly hilarious series where you control 3 funny elves in their quest to free their king from a horrible curse. A mixture of action, adventure and puzzles in a fantastic medieval environment!

The mischievous goblins are back in even more comical situations! This time they are two: Fingus, the diplomat, and Winkle, the joker. In their quest to rescue a young prince kidnapped by the Demon King, they will meet some really weird folks!

Blount, the hero of this game, will hold many surprises for you: watch him change from a weakling to a true hero, see him shrink, turn into a giant, grow wings or become a WEREWOLF! A true interactive cartoon in the Tex Avery style.

He plotted your doom centuries before you were born. Now you must race across time to outwit a murderous fiend, exploring hostile jungles, a mysterious old manor, and a past fraught with danger! A true interactive adventure movie including Full Motion Video technology.

An ancient mystery...A roaring 20's murder.. A priceless artifact is missing from the Leyendecker Museum, and there are too many bodies in the mummy case. Can you finish this master-level mystery before it finishes you?

Enter the world of fantasy and adventure that has enchanted millions of people the world over. A shipwrecked prince must find his way across a series of islands in search of a princess in peril. You'll need all your wits and imagination to overcome the gauntlet of baffling puzzles and fantastic creatures that attempt to keep you from your goal.

He's every woman's blind date nightmare. He's completely without sex appeal. He's the most infamous nerd in the history of computer gaming, and he's back! In his latest bumbling misadventures, Larry goes on a dream vacation in a posh spa resort, filled with heartachingly realistic babes and more hilarious antics than any previous Larry episode!

Discover the funniest western adventure game Sierra has ever released! The year is 1888; the setting post-Gold rush California. As Freddy Pharkas, you uncover a treacherous plot to turn your once-thriving metropolis into a ghost town. With pestles and pistols, you will defend your bucolic burg from arson, stampedes, hired guns... even terminal flatulence!

Interactive movies

Discover in *The Last Dynasty* an interactive epic providing sophisticated combat simulation with fast-paced action gaming and puzzle-oriented graphic adventure, mingling the latest technology in graphic and video rendering. Blending the talents of professional cinematographers and the best graphic design and programming teams, *The Last Dynasty* tells the tale of a young man raised on Earth who is suddenly pulled into a cosmic war across the galaxy to save the Ultimate Knowledge from the hands of Evil masters...

UNIQUE FEATURES:

- Full screen high-res graphics and high-res space combats
- Hundreds of animated sequences
- Designed and created by a team of professional cinematographers
- Real time voice postsynchronization
- Real time mixing of music, images, sound effects and programming

Incredible Toons runs under DOS and Windows

INCREDIBLE TOONS is a *Dynamix* production

Simulation

You take command in the most realistic and technically advanced WWII German U-boat Simulation ever created. Pushing your tactical abilities to the limit, you'll stalk the enemy waves of the North Atlantic in a battle where the hunter quickly becomes the hunted. Attempt to strangle shipping lanes and outmanoeuvre convoy escorts. React as technological advances, such as sonar and radar, wreak havoc with the success of your submersible torpedo boat. As the sound of depth charges and twisted metal reaches your ears you will discover why the creators consider this to be the finest submarine simulation yet.

UNIQUE FEATURES:

- Historically detailed missions from the Icy North Atlantic to the Caribbean with famous battles from Sep 1939 to May 1945
- Amazing special effects including Digitised German speech, creaking hulls, depth charge explosions, the sound of twisting metal etc.
- Incredible detailed 3-D graphics of rolling waves, fog, clouds, explosions, burning ships and dramatic sinkings
- Historically accurate ships, aircrafts, arsenals, captains and battles
- Single Mission, Training and Campaign modes of play with highly sophisticated artificial intelligence
- Includes full length windows video of interviews with actual WWII U-boat captains!
- Extensive detailed manual with complete historical overview, tactics, submarine capabilities etc.

ACES of the DEEP runs under DOS

ACES OF THE DEEP™

«A gripping and highly atmospheric game» PC ACTION

ACES OF THE DEEP™ is a **Dynamix** production

Simulation

A high stakes robotic combat simulation which boasts a virtual combat arena where strategy and tactics count as much as firepower. High tension and high stakes fill the battledrome arena as fully articulated Herculeans wield their might effortlessly across the cyberspace. Choose your Herc, its weapons, the arena conditions, the level of battle and the amount to wager. Bet for prize money to build your own arsenal of Hercs or in desperation bet your Herc. Battledrome is modem ready, so challenge anyone, anywhere in head to head to combat or pit your Herc against the best of computer generated opposition.

METALTECH BATTLEDROME™

«Fast paced and intense» *Interaction Magazine*

UNIQUE FEATURES:

- Ten HERC chassis and a broad weapons arsenal for customisation
- Modem-ready one-to-one combat with anyone anywhere
- Remote camera for complete arena view

Battledrome runs under Dos.

BATTLEDROME™ is a **Dynamix** production

Experience the thrill of leading your own fearless team of Hercs into an all-out battle to save the planet from invading Cybrids. In Metaltech-Earthsiege, you'll customise your Herc with explosive firepower, such as missiles, lasers, electromagnetic pulse cannons or the lightning bolt might of the electron flux. Fight in 8 campaigns across ice terrain, volcanic rock and blistering deserts. Receive deployment updates from HQ and enemy intelligence from your squadron via video-link. Revel in conquering the enemy and saving the earth.

METALTECH EARTHSIEGE™

«Nothing quite matches the challenge and unpredictability» *Interaction Magazine*

UNIQUE FEATURES:

- 8 Fully articulated robotic HERCS ready for arsenal customisation
 - 30 Missions to complete as the random generator adds new battle elements
 - Choose to operate your Herc from the cockpit or from the floating camera
- Earthsiege runs under Dos.*

EARTHSIEGE™ is a **Dynamix** production

Sierra Soccer - World Challenge Edition is a whole new concept in Soccer simulation with a level of realism never achieved before. As the manager, select your best team based on their abilities and weaknesses. As the players, use your defined abilities (Pace, Stamina, Tackling, Passing, Heading, Shooting) to take on either human or computer opposition in either friendly or World Challenge games. Dribbling, Heading, Passing, Shooting, Lobbing and Volleying, specially designed corner and free-kicks all combine to give you the most comprehensive playability in a soccer game to date.

SIERRA SOCCER

«Frankly, it looks excellent» Amiga Action

UNIQUE FEATURES:

- Licensed by the Major League Baseball Players Association
- Up to 50 players per team, up to 48 teams and 3 divisions per league
- Played in a 3 dimensional stadium with realistic weather effects
- Full VCR interface with multiple camera modes
- Variable difficulty levels and computer generated decision taking managers for added realism

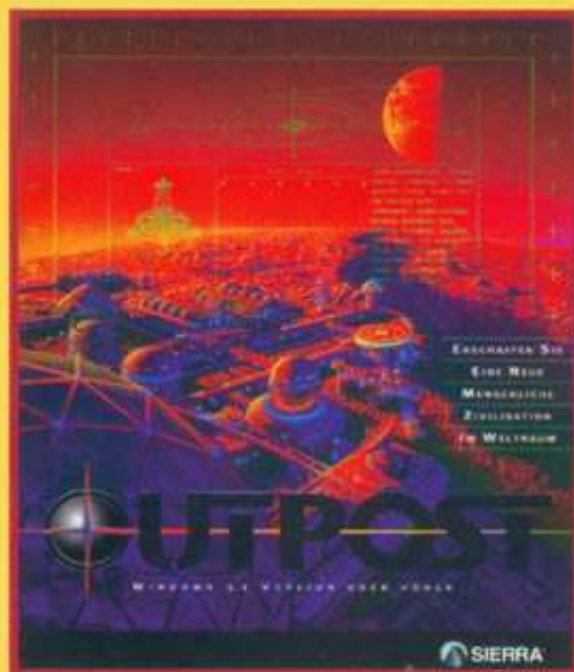

FPS Baseball runs under Dos.

FPS BASEBALL™ is a **Dynamix** production

Strategy

Earth is about to be destroyed. Civilization is doomed. You're in command of our latest nuclear fusion space exploration technology. You must use it to discover new worlds and rebuild human civilization in nearby planetary systems. You'll launch probes, select suitable new planets, and establish colonies. Then use nanotechnology to build research robots and facilities. With genetic research, you'll create new food sources, prevent the spread of plagues, and decrease your colonies' mortality rate. You'll also compete with rebel colonies for vital resources, such as food, water, and air. In your desperate struggle to endure, every day you survive is a victory...

UNIQUE FEATURES:

- The most complete and accurate space simulation using the latest CD-ROM technology
- Based on current NASA research in planetary science, robotics, terraforming, an interstellar spacecraft design
- Sophisticated simulation of interstellar colonization
- Hundreds of animated sequences and state-of-the-art 3D rendered graphics create unprecedented photo-realism
- Full music card support. Digitized stereo soundtrack and sound effects

OUTPOST™ requires Windows 3.1 or higher

«Absolutely the best science fiction software ever» OMNI MAGAZINE

In *Outpost*, you saved human civilization. But that just wasn't enough. Now, you want new challenges: catastrophes, natural disasters, life-threatening situations.

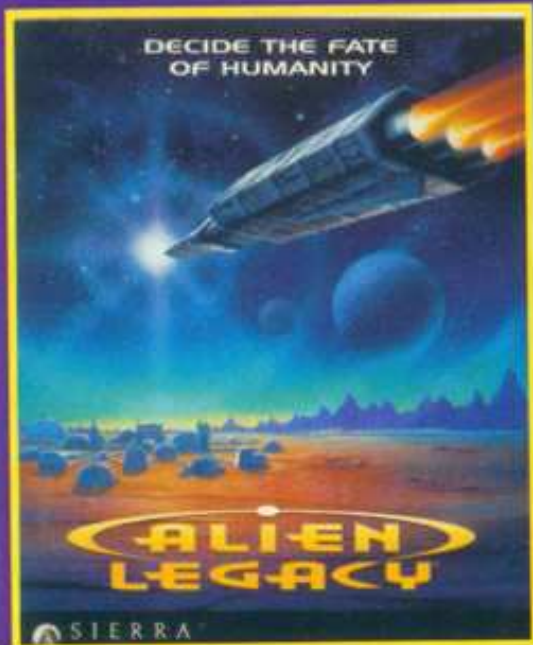

The new Outpost Planet Pack expansion module has all these challenges, and more. More stars, more planets - more of everything.

Explore the galaxy, and survive if you can. Because, in the end, the decisions you make will determine the destiny of mankind.

Strategy

Explore the outer reaches of the Beta Caeli star system in this science fiction/strategy game. The aim of the game is to search and colonise the uncharted solar system that now holds the key to the future. After a catastrophic Earth-bound war, the future of human civilisation rests on your intuition and decision making. You must also discover and harness natural resources, colonise and fight off enemy alien forces while you search for the faster than light propulsion device. You are not the first human to battle the Alien Legacy, but if you lose, you will become the last.

UNIQUE FEATURES:

- Solve 5 different major plots to save humanity
- Short (1-4 hrs), medium (8-12 hrs) and long (40+) games available
- Interface with key advisor to determine your fate
- Explore detailed fractal landscapes as you fly over uncharted planets
- Up to 20 cinematic scenes developed using 3-D studio graphics tools

Alien Legacy runs under Dos.

ALIEN LEGACY™

«The best strategy game to emerge in 1994 thus far» INTERACTIVE ENTERTAINMENT

ALIEN LEGACY™ is a *Dynamix* production

Strategy

*B*attle bugs is a humorous cartoon-style strategy game featuring multiple levels of real time war action between troops of animated bugs. Take control of your bug army and achieve your set objective - either defeat all enemy troops or conquer the food objective. Early levels are «boot camp» tutorials, later levels progress from easy to very difficult. Strategically instruct your bugs to walk, fight, drop bombs, fly, hop etc and attempt to achieve the status of Napoleant and be honoured by Queen Elizabug!

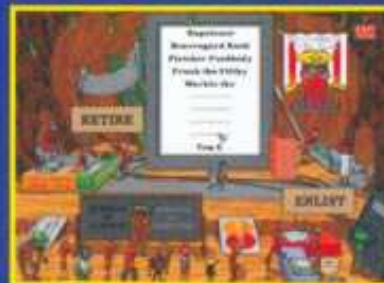

UNIQUE FEATURES:

- Over 20 different insects with varying strategic abilities
- Scrolling feature to view the entire battlefield and enemy forces
- Play against computer or choose two player mode
- Special television help system for battle overview, insect abilities, hot keys etc.
- Supports Windows 640*480 and 800*600 with vesa drivers

BATTLE BUGS

«Battle Bugs perfectly proves that strategy games can be hilarious» Multimedia PC

The legendary hit from the 80's is back and is even better than before. This all new version of the lightening fast action/arcade game comes complete with new graphics, special features and game interface. All you will need is fast reflexes and even faster thinking to get you through 150 levels to find the lost gold. When you have finished these levels, test your design skills by building your own mazes with the game generator.

UNIQUE FEATURES:

- 150 all new levels in 10 underground worlds
- Collect lost treasure as you climb dig and out manoeuvre the enemy
- Unique design option to create your own tougher levels
